AnCnoc 18 Year Old

The anCnoc 18 Year Old has matured in Spanish oak ex-sherry casks and American oak ex-bourbon barrels and has been bottled in its most natural form, neither chill-filtered nor coloured. As a result this dram may develop a light haze with the addition of water or if kept at a cold temperature. This haze is a natural characteristic of whisky that is non chill-filtered.

Arran 18 Year Old

The Arran 18 year-old scotch whisky is a wonderfully balanced expression of Arran Single Malt which displays the tremendous depth of character of our Distillery.

Caramelised citrus and tropical notes on a background of toasted oak have created an intense, well rounded dram with charm and personality. A luxurious mix of our finest aged Sherry Casks, this fully mature expression of Arran Single Malt is exceptional.

Old Pulteney 18 Year Old

Matured for 18 years, this is indulgent and spicy thanks to the casks selected for maturation. Taking its character and color entirely from the casks within which it has been nurtured, this is a deeply warming whisky. The indulgence extends through this single malt with chocolate and spice defining the character but allowing for the influence of more vibrant zesty flavors.

Balblair 18 Year Old

Matured for 18 years, this Balblair expression is perfectly balanced with warming autumnal flavors. With its rich toffee and baked pear aroma, a balance of juicy apricots, seasoned oak and vanilla custard taste, this is truly a masterclass in traditional distilling and the most patient skilled ageing in American and Spanish oak.
